

Trump NJTTC Interview- 5/17/16

(Reported by Daniel Guttman)

Bob: We're very excited to have Donald Trump applying to be a member of the New Jersey Table Tennis Club.

Trump: well if it isn't Lyin' Bob, you told me I already had your vote.

Bob: Well, Mr. Trump, you don't actually need my vote. Anyone can join the NJTTC.

Trump: Sounds like you have very low standards, just like most of my primary voters.

Bob: Well we do require our members to be of good character.

Trump: I happen to have GREAT character. As a matter of fact it's a HYUGE character. So HUGE, I have to change it daily, just like my other body parts and hair.

Bob: Glad to hear that. Let's talk about table tennis. Do you have a USATT rating?

Trump: Yes, my rating is 3,000.

Bob: But Mr. Trump that would make you the best player in the world.

Trump: You have a problem with Dat? ... OK, it's really 2998... I rounded up.

Bob: You may have heard that we have one of the best table tennis training programs in the country.

Trump: I don't take lessons, I GIVE them. Just like I don't listen to Foreign Policy consultants. Why should I, they are all foreign.

Bob: Well that would make sense. I want to thank you for volunteering to donate new table barriers to the NJTTC.

Trump: I only said we would need one barrier and it will be a HYUGE wall.

Bob: Why do we need a wall, I thought our 3 foot barriers work fine?

Trump: We need to keep out all the illegal non-members. And when we catch them, we'll deport 'em to Philadelphia.

Bob: Ah, the City of Brotherly Love, got it. Moving on, who's going to pay for this wall?

Trump: That's easy, Lily Yip's Table Tennis club. Barry Dattel has been sending all his undesirable players to the NJTTC for years.

Bob: How can you tell?

Trump: They all have foreign accents.

Bob: I'm sure Barry will be very agreeable. But the last time I checked, even your wife Melania has a foreign accent.

Trump: But she is a super model, so she gets a pass. Any of your NJTTC members super models?

Bob: I used to model underwear, does that count?

Trump: Only if it's not just in your bathroom in a mirror, Lyin' Bob.

Bob: Mr. Trump, what do you think is the most serious problem at the NJTTC?

Trump: Too many players are leaving the NJTTC for Foreign clubs in New Jersey.

Bob: So how would you prevent that?

Trump: We'll institute an Exit Tax. You leave the NJTTC, you pay \$1,000. That'll keep them here.

Bob: But how will you enforce that?

Trump: I've got a secret plan, but I'll only reveal it after the election when you will also get a peek at my taxes.

Bob: Which Election is that?

Trump: My election to the Villains, Thieves and Scoundrels Union Hall of Fame.

Bob: Don't worry, I think you will be a shoe-in. Any financial problems you see at the NJTTC?

Trump: The NJTTC is drowning in Debt.

Bob: So how would you reduce that?

Trump: I make DEALS. Dats what I do. Take your Club lease for example. Just pay half your rent.

Bob: The landlord may object.

Trump: Well don't tell him. If he finds out, just tell him it was an accounting error and we'll send him a few **Trump Steaks**.

Bob: That's fair, he'll be fine with that. What are your plans for our bathrooms?

Trump: Gold Plated toilet seats.

Bob: Won't that be a little cold?

Trump: Not compared to some of my ex-wives.

Bob: Anybody else you would like to add to your team?

Trump: I just appointed Chris Christie as my doubles table tennis partner. He's fat and slow and can't run but he picks up my balls for me and believe me, my balls are HYUGE.

Bob: Speaking of running, we've run out of time, Mr. Trump. Can I have a membership check?

Trump: Have your people call my people. I'm outta here.
